## **ACME Solar signs PPA with NHPC for 250 MW FDRE project in Rajasthan**

**GURUGRAM - JUNE 20, 2025:** ACME Solar Holdings Ltd (ACME Solar), India's leading renewable energy player, signed a 25-year Power Purchase Agreement (PPA) with NHPC Limited, a AAA rated central government enterprise, for its 250 MW Firm and Dispatchable Renewable Energy (FDRE) project in Rajasthan. The PPA has been signed at a tariff of Rs 4.56 per kWh for a minimum annual Capacity Utilization Factor (CUF) of 40% and to meet 90% of peak power requirement of 4 hours daily. This PPA marks a significant step in strengthening ACME Solar's footprint in the FDRE space while supporting India's clean energy ambitions through an innovative mix of solar, wind, and battery storage technology. The project will be connected to an ISTS substation for which connectivity is already in place. The requisite approval under section 63 of the Electricity Act 2003 for adoption of tariff has been issued by Hon'ble CERC on 19.06.2025 in Petition number 87/AT/2025 filed by NHPC.

Post the signing of this PPA, ACME Solar's PPA-signed portfolio stands at 5,130 MW of which 2,826.2 MW is already operational, and balance is under various stages of implementation. Additionally, the company has a firm pipeline of 1,840 MW for which Letter of Award (LOA) has been received. ACME Solar's overall portfolio comprises 86% offtake with central government enterprises and the rest 14% with State discoms.

**About ACME Solar Holdings:** ACME Solar Holdings is a leading integrated renewable energy player with a diversified portfolio of 6,970 MW spanning solar, wind, FDRE and hybrid solutions. With this milestone, the operational capacity of ACME Solar stands at 2,826.2 MW with another 4,143.8 MW in various stages of implementation. With an in-house EPC and O&M division, the company does end-to-end development and O&M of the plants, thereby delivering projects in a time & cost-effective manner while ensuring best in class operating performance evident in its industry leading CUF and operating margins.
